Pioneer Migh School Mhittier, California

Charles to be desired to be de

Me are but ideas and actions merging into one common goal Me hold memories of smiling faces once known when our minds were in the future and our hearts were in the past

ACOUNT CHE DE DAME TOME TO POMING TO THE PROPERTY OF THE PROPE

Me live in waves of Nostalgia, a sea of days gone by Always remembering the sensation of belonging, of being you, and of being important Reminiscent of the memories that fill you with thoughts of yesterday and faces of old friends Communication in both song and spirit on an uplifting carousel of time, revolving around hopes, fears, and always present anxieties

The future is a dark cloud of mystery, so far away, yet within our grasp Me share our thoughts, yet we must tear ourselves away from the collective security of our friends, and pull ourselves into a world we must conquer as individuals

Now was a time when men and women worked hand in hand to prepare for the future Remember our days of creation when we made things happen Success and failure

What to do with them now

Life is made up of Nostalgic memories that can never be again. Looking back on our days with pride, experiences and dreams never draw to a close

Leaving our gouthful pleasures, and images of dreams come true, we depart for our unknown world of tomorrow

Reflecting on days of future passed
The sunset of yesterday is the dawn of tomorrow

Richard Frasier, Nat'l. Merit Finalist

Richard Frasier earned finalist standing in the National Merit Scholarship program this year. The Qualifying Test for this honor is a nationwide examination given to high school jumors. Scholarship semi-finalists and finalists are selected on the basis of how well to the second National Merit Test. They are their to the National Merit Test. They are their to be the National Merit Scholarship Corporation.

Jamine Totta, Girls' State Representative

Janine Totta, Girls' State Representative

Jamine Totta was Pioneer's Girls' State Representative. Held for a week during the end of the school year, a convention up north gave high school seniors throughout the state the opportunity to experience government in action.

In Sacramento, where the program is held, mock cities and counties are set up, and students elect city, county, and state officers. The purpose of the program and the convention is to help familiarize students with the state government in California.

Pioneer Drama Bepartment Presents "Miracle Morker"

The fall play is one of the two most important dramatic events of the year, as it is the first of only two productions that is open for all students who wish to try for a part. This year the Pioneer Drama Department presented the "Miracle Worker", written by William Gibson. Under the direction of Dran a Coach George Whatley, the play depicted the valiant struggle of young Annie Sullivan as she tried to find the key that would unlock the mind of the deaf, mute, and blind child, Helen Keller, Janine Totta as Annie and Merrie Turner as Helen gave powerful and moving performances. Add to that the character izations of Captain and Mrs. Keller by Paul Popofi and Laura Bel, and it becomes clear why the "Miracle Worker" will long be remembered by those who saw it

The play was produced with the help of Student Director Leslie Lev and Technical Director Bruci Petrell. Feature roles were portrayed by Fred Angelo, Speranza Avram, Tom Chevere, Rick Osorio, Chris Monge, Debbie Perez, Nancy Petrella, and Stevi Sotomayor

Concert and Cadet Bands Play in Tune

The majority of the instrumental music program at Pioneer is comprised of the Concert and Cadet Bands. The Cadet Band prepares learning musicians for the advanced work involved with the Concert and Pep Bands. Members of the Cadet band are also members of the Pioneer marching band. The Concert Band is composed of more experienced musicians, and performs not only at Pioneer, but also plays for the community's pleasure throughout the school year.

Under the direction of Director Jim Quiroz, both bands worked together in providing music for Titans at 1 the better members of the Concert Band performed in the Whittier Union High School District Honor Band. I hat music festival is held yearly in the spring and is composed of the best high school musicians in the area. Members of both bands also provided music for the Spring Musical in June which was held at the Rio Hondo College Little Theater.

Drum Major Dale Stigense

Choir, Titan Tones, and Girls' Glee Compose Pioneer's Vocal Groups

The vocal music program at Pioneer is one of great variety. The Titan Tones, also known as the Vocal Ensemble, is a group composed of the best singers at Pioneer. In addition to doing programs for assemblies and PTA meetings, the group was often invited to sing before many civic and community organizations. For the first time in Picheer history, the 1-tan Tones planned a musical tour of a foreign country to be traveled in March. Sponsored in part by the community, the group planned five major stops in the hordering country of Mexico. Led by Mr. Orr. the group was continually searching for new and different material to perform. The Chor, largest of the vival groups, was also under the direction of the Fine Arts Department Head. Ker Orr. Although the Titan Tones composed a good deal of the Choir many others participated in the musical extravaganzes. The most popular

perform ance he d by the Cherr was the annual Christmas Assembly in which the groups presented a montage of Christmas music The Crirls. Gler, also a portion of the Choir, is made up of those girls who have a special interest in singing. They also feldow the

Chess Club Makes Intricate Jumps Paily

Meeting every day in Mr. Peterson's room, the 1971-72 Chess Club provided interesting and fun lunch hours for all those who had an interest in chess. The club meetings consisted of chess matches between club members, and between Advisor Don Peterson and club members. The members either began new games or completed games started the day before. They also had competitions to determine ability and rank among those in the club. Led by President Wade Gaskell, the club this year was one of the largest and most active in Pioneer history

Pep Band Spurs Musical Spirit

Important contributors to events at Pioneer this year were the members of the Pep Band. Commonly seen at assemblies, pep rallies, and games, the Pep Band was responsible for the music which lifted the spirits of the campus. Made up mostly of Concert Band members, this so all hand proved itself to be one of the more capable music groups, and its size allowed it to be one of the more unique and versatile.

Publicity Club Keeps Students Informed on Important Kvents

The Publicity Clinkept students constaintly informed as to activities and school events. Under the direction of Publicity Chairman John Cardoza, the club painted posters advertising dances, games, and other campus happenings. In addition to their advertising work, the group also painted signs and banners which stream med the stadium during the toothail season and the gym during basketball season.

When preparing hand to Is and pin on messages, the coub was closely associated with the print shop for assistance with design and printing

Among the events covered by the Publicity Club were, the Spring Musical, the Sen or Breakfast, drama productions, and the Senior Mothers' Tea.

Thespians, Speech Squad, and NFL Promote Drama and Forensics on Pioneer Campus

The Thespians National Foreiss. League and Speech Squad are the three Titan organizations very active in the fields of drama and speech. The Speech Squad, under the advise of Mr. Tom Maeder, was the largest in recent Pioneer years. Serving in his third year as advisor, Mr. Maeder arranged for the speakers to compete in many different contests all over Southern California. The main formation of the Speech Squad's calendar was the annual weekend excursion to San Diego for the State Speech Qualifier. The National Foreign 1 engage. Note: the honorary had onwide organization for speakers. Membership is acquired by earning a minimum of twenty tive points in speech, ompetition. After that it is maintained by earning a minimum of the points in speech, ompetition.

The I bespire Society is an bonerary nations. The drama organization dedicated siles a to the purpose of torther up dramatic arts at the high school and college level. If the eligible for the I bespire I from OP insert a student in ist earn temperature participating in the production of a play. With the aid of Advisor George Whatev many Plonter Students were able to take part in a variety of Thespian activities.

German Club Sprouts and Grows in Membership

The German Club, or Deutsch Club as it is fondly called by its many members, swelled tremendously in membership this year. Thanks mostly to the hard work of Pioneer's German teacher and German Club Advisor Dave Lee, the German Club has the largest membership in Pioneer history. Although German classes were not necessary in order to become a member, it proved quite beneficial to be enrolled in one of the four classes offered in the language, primarily because meetings were held during class. This method of meeting insured that each and every member was up-to-date on the latest events and happenings

International Club Supports AFS Program

Primarily a service club, the International Club's main objectives are to raise funds for the American Field Service program and to help promote international cooperation. The AFS program provides the opportunity for a foreign student to attend Pioneer, and for one or more Pioneer students to spend the summer of the school year in a foreign country. Through their efforts we were able to host Tony Durighetto from Brazil, and also to send alumni Doug White to Holland for the year

Led by Meme Merrill, president, and with the help of Advisor Ron Budensiek, the International Club met every Thursday to plan new money-raising projects. Many such activities included the annual Pancake Breakfast, International Day, and the popular Donkey Basketball game. To raise even more funds, the group sold refreshments at after-school basketball games and participated in the Plymouth Trouble-Shooting Contest

French Club Continues Mith New Advisor

With the help of a new advisor, Le Club Francaise, better known as the French Club, continued on in the footsteps of past years. Aided by fluent French speaking. Advisor Helen De Soto, the club's lunchtime nicetings give the members an opportunity to practice speaking the French language. Composed mostly of members i titol cilin French III and IV, the classroom interaction proved beneficial, as shid the meetings held during montaine.

Mrs. De Soto assumed her new position of advisor this year, along with taking over the four French classes offered at Pioneer. Her schedule consisted not only of teaching French, though, for she also continued teaching Spanish courses

Photo Club Prints Pleasing Pictures

The Photo Club, although smaller this year than in the past, was still one of the most active organizations on campus. The club held meetings under the supervision of Advisor Jim Rafferty to plan not only enterturing but also fund raising activities. A noriginal activities were field trips to the beach and to the zoo. Two other projects were the ponsoring of the monthly photo contest, and the photo display section in the annual Industrial Arts Festival.

Auto Club, Industrial Arts Club, and Warsity Club Still All Cater to Titan Male Interests

On the Pioneer campus there are three clubs that still remain entirely male oriented. The Varsity Club, the Industrial Arts Club, and the Auto Club were strictly male membered this year.

The Varsity Club, which is dedicated to the promotion of athletic activities on the Titan campus, is composed of Pioneer athletes who have earned one or more Varsity letters. Throughout the course of the year the club worked on carrying out many of their traditional activities. Included among these was the planning of the Varsity Coub banquet, planning sports events in general, nominating Homecoming candidates, and selling refreshments at basketball games.

For those students who had more than a passing interest in any of the industrial arts, the Industrial Arts Club allowed them to work with other students so that they might improve their own skills. Of primary credit to the Industrial Arts Club was their presentation of the Industrial Arts Festival. During their annual show in the spring they displayed and sold many unique items that students had made.

Made up promarily of students enrolled in auto shop classes at P oneer the Auto Club members used their club hours to delve deeper into the workings of a car. The club was also responsible for the planning of the yearly car show, and was thinking of holding another competitive road rally in which all students would be welcome to enter

Kxpanded Horizons: Still Growing

By far the largest organization on campus, the Expanded Horizons Club put in another active season this year. Mr Luis Hernandez, fulltime Expanded Horizons Director and Coordinator, helped plan the activities for the group which began during last summer. All of the activities were designed to be beneficial both educationally and culturally. Included on the summer agenda were excursions to: Corona Del Mar, Long Beach, the Los Angeles Museum of Science and Industry, Cabrillo Beach, and the San Diego Zoo. For those students that went to summer school there was a ten day trip to Yosemite National Park in early August

During September the Expanded Horizons members went to the Los Angeles County Fair in Pomona. Other activities for the year included trips to the Los Angeles Times Grand Prix Trials in Riverside, Cal State College in Fullerton, and the Wrightwood Mountains

Expanded Horizons also helped many Pioneer seniors in their quest for college funds, admissions, and scholarships During the 1970-71 school year eighty-three seniors were admitted to colleges through the Expanded Horizons Program

Occupational Aurses Gain Valid Experience

The Occupational Nurses, formerly the Future Nurses Club, is that organization which gives interested girls the opportunity to have on-the-spot training in hospitals and nursing homes in the community

Under the direction of Registered Nurse Mildred Crane and Pioneer Nurse Doris Dean, the girls, along with others from neighboring high schools, went to the hospital in the mornings of school days. While in the hospital, the girls assisted regular employees in the care of patients. Through this vocational training the girls experienced first-hand many of the things they would later encounter in a nursing career

FMFF Program Bains Participants and New Stations

EWEE, or the Exploratory Work Experience Program, enables students to work in fields that they feel they might have an interest in. Carried out under the guidance of Advisor Kathy Stanger, the program not only allows students to investigate many different occupations, but to also receive classroom credit for their work

Many possible jobs are offered and students are able to observe and help a businessman or worker in almost any area of employment. The group has not merely grown in the past few years, but through the efforts of their advisor, has multiplied in membership. Outlets for students have also increased, giving students a wider choice of posts to explore.

During the year, students worked on their assignment for two to six weeks, and in that time were usually able to decide whether or not they would like to go into that vocation after they graduate. To help students even more, Mario Machado, KNXT Newscaster, was scheduled for a guest appearance in the spring. This was to be of particular help to those students interested in broadcasting

Future Secretaries Raise Funds for Pioneer Business Department

The Future Secretaries Club of Pioneer provides the opportunity for many Titan girls to further explore the demands made on qualified secretaries. The group is dedicated to raising money to buy office equipment for use in the Pioneer business classes. The president of the club, Beatriz Perez, worked with Advisors Kathy Stanger and Darlene Staib in organizing money raising programs. The club met on the first and third Tuesday of every month, and some of the items they sold were suckers, candy canes, dictation pads, candied apples, and popcorn at afternoon basketball games

The secretaries planned two major events this year, and one of them was a field trip to the stock brokerage of Mitchum, Jones, and Templeton. They also planned and presented their April Brunch at which they award a Pioneer secretary with their "Secretary of the Year" plaque

Hopeful Bike Club Never Gets Rolling

Proneer's Bike Club started off with high hopes of arousing more people's interest in bicycle journeys. The group formed in November with the aid of Advisor Cindy Waian, and made plans for rides in to be made in the future. With ecology in mind, the club hoped to stir up enough interest in people to provide them with a large and active group. Due to lack of cooperation and no steady interest on behalf of the members, however, the club disbanded in early lanuary, shortly after their picture was taken for the yearhook.

Keology Club Morks Hard to Meet Important Goals

Basically a new club this year, the Ecology Club started to work even before it had officially obtained a charter. Club President Karen Olsen and Vice-President Mark Wiens worked with Advisor Woody Odonaka in setting their plans and goals for the school year. One of their major concerns was to try to make the Titan campus cleaner Included in plans was a Kleen Kampus Day to be held during March

The club was also busy preparing for Earth Week. They set aside a week in April, and had the help of the Freshman and Sophomore Councils plus anyone who volunteered. The main purpose of the week was for speakers to visit different classes and explain to the students what the different areas of pollution were and what must be done to control and halt them.

Hiking Club Climbs to New Heights

One of the more constantly active groups on the Ploneer campus is the Hik open Club, and this year providing differently Advisor Jun Jethoson worked with Club President Wayne Wayne and Vice President Angela Martinez to plan many weeken. Tikes into our local Southern California mountains. The trips were usually taken on Saturday, or else overnight through Sunday.

Hisks this year included trips to Little Jimmy, Mount Low Trail, Ice House Canyon, Chantry Flats, Spruce Grove, and

Crystal Lake. Backpacking trips were also planned for Mount San Jacinto and Mount San Gorgorne

Cony Durighetto, AFS Representative from Brazil

AHS and YHU Bring New Students to Pioneer

The American Field Service makes it possible for Pioneer to bring a foreign exchange student to the school each year. This year, through Pioneer's participation in the AFS program, Tony Durighetto from Brazil attended Pioneer. During his stay at Pioneer he made his home with the Atherton family. Tony participated in a number of activities while attending Pioneer. He was a member of the Associated Student Body Cabinet, and he participated in all activities of the International Club. One of Tony's major interests, however, was in soccer, as he proved when he played on the newly formed Pioneer soccer team

Doug White, a Pioneer graduate in the Class of 1971 was an AFS Representative during the school year 1971-72. After being selected by the American Field Service, Doug was placed with a Dutch family in Holland

Similar to the American Field Service is the Youth For Understanding organization, or simply YFU. Both programs are national organizations with adult chapters at many high schools in the United States. Through the YFU program Pioneer received another representative from South America. Marcello Villahoz. Marcello arrived at Pioneer in early January, after spending two days in Michigan being briefed on the customs of Americans. Marcello made his home with the Rodriquez family, and he too worked with the International Club. Marcello demonstrated that soccer was also one of his main interests.

1971 Football - They Tackled It Again

I nder the direction of Mr. Bob Spindola, the Varsity Football team again enjoyed a very outstanding season. For the second year in a row the litans took the league title, moving to the San Gabriel Valley League From there the feam went 5-0, enabling them to enter the C.I.F. players Participating in two post-season C.I.F. playoff games, the Varsity ended the season with a 9-2 overall record.

In the biggest game of the year, the mighty team defeated the number one rated Be liflower Buccaneers by a score of 14 to 7. It was an emotion packed game where the score bung on the final play of the game. After that important game the Titans lay claim to the C.I.F. rating of Number One, and went into the playoffs. The win over Bellflower course is a tie for the league championship, with that title being work astrogor who is we beat I xcelsior the next week.

Ruben Flizalde during the course of the season became the C.I.I. second all time passing yardage leader. His efforts, along with Art Aranda's, carned both of them all C.I.F. honors, with Ruben the first team quarterback and Art the second team split end. Those two, with seven other Titans were name I to the all-San Gabriel Valley League team, with Art Aranda playing both on oftense and deficise. I lizalde was named back of the year in the S.G.V.L., Art Aranda the lineman of the year, with Jim Viramontes, Fred Johnson, Mike Delgado, Steve Richard Gonzales, Greg Branham, and Curt Autenrieth also because process.

In the annual banquet held for the football team, Art Aranda was a kelllineman of the year, Curt Autenrieth back of the year, and Ruben Elizaldemost valuable player

Sophs Finish Second in SGNA Race

Most teams that lose just one game during a season end up as league champions, but that was not the case with the Pioneer sophomore football team. Going undefeated during the pre-season, the sophomores lost their first league game to the Norwalk Lancers, the eventual winner in the San Gabriel Valley League. Norwalk won four out of five, as did the Litans, but Norwalk had a tie in their record, compared to Pi

Hi's soph's one league loss.

Coach Howard Pollock felt that the steady improvement of the sophomores during the course of the season had developed future starts for next year's varsity team. Among those were Quarterback Robert Reyes, Outside Line Backer and Wide Receiver Lawrence Jordan, Half Back Victor Jiminez, and Wide Receiver and Defensive Back Pierre Arsenault. Others who looked promising throughout the season were: Robert Glorae (starting tackle, both ways), Pete Rodriguez (middle linebacker), and Robert Rodriguez (safety and halfback)

Undefeated Frosh Take SGUL Title

Hard work and a lot of determination was justly rewait—c to the Freshmen football team. The frosh earned the San Gabriel Valley League title this year, going undefeated and oring a downright awesome foe for the opponents. The treshmen defense gave up only two touchdowns during the entire season, both coming on the ground with the third or fourth unit on the field. The oftense scored in excess of over 200 points, led by the knowledgeable quarterbacking of Chris Terrazas, During the season, Terrazas would unleash bombs to Wide Receivers Dave Roman and Jose Ramos, and throw short passes to Rudy Constancio

Two Aquamen Make All-League Team

This year's Varsity water polo team, after breaking in their new coach, Mr. Ed Cooper, was very successful in the prosession games. Going into league play was a completely different story though, as the Aquamen were unable to win even a single game.

Among the highlights of the season were: capturing the Consolation Round of the Monte Vista I was present a come back against Lynwood in the final seconds of the zone of o

As with tradition, awards were given to the players at the end of the season. Bill Parks was named the Outstanding Graduating Senior, Ken Brecht was the Outstanding Varsity Player, Jim Pircy was the Outstanding Lower Division Player, and Jose Gallop won the honor of being the Most Improved Player

Tross Country Runners Fair Average in League Races

I he Cross Country teams were again hindered by his inglifest members. Running with a new coach, those who participated found that the sport could be personally profitable as well as fun

Coach Barry Blade, however, watched the teams as a whole go through a rather blight season. The varsity held a league record of two wins and three losses, compared with their overall season record of two wins and five losses. Their two-and five record ranked them fourth in the San Gabriel Valley League

The four top running men for the varsity were Marty Grandusky, Marc Palozzi, Albert Valdez, and Wayne Walker. In a IV race at the Calhi invitationals Marty Grandusky took first place, Albert Valdez third place, and Marc Palozzi placed fifth. In the Rio Route is italional scalar running awards within a stational scalar running awards

One of the more unusual events for the team was a hight race against Bellflower in which the teams competed before the varsity football game and during the hart turn linear

Junior Warsity Captures Third Place in SCHL

The Junior Varsity basketball team suffered through a tough season this year, but did finish at third place in the San Gabriel Valley League with a 3-7 record.

Maybe just as important as their record, this year's JV team supplied a lot of varsity prospects for next year. Among them were Pat Smith, who led the JV Call is in scoring with a 14-3 average followed by John Schultz, who after a disappointing sense the unit is a payorage.

Heatable in the season Albert amounters played well in most of their games, and looked forward to making a stronger showing next year

Runner-Up Pees Enjoy Successful Season

Under the first-year coaching of Greg Mooers, the Bee's enjoyed a very successful season. They were the runner-up team in the San Gabriel Valley League with an 8-2 record. Going in to competition 4-4, the Bee Cagers went under lated in the first round of the league. Their losses in the second round went to Norwalk, and, by a two point loss, to the eventual champion Bellilower.

I eading the Bee's in scoring was Chris Terrazas, with a 12.9 average, closely followed by Irm McCraw (12.1), and Erme Contreras (11.2) Contreras was also the team's top rebounder, assisted by Randy Stover. The tough Bee Defense was led by Jim Crockett, who also added 5.3 points a game and Rudy Macias, with a 7.6 average. Ermie Traches and Frank Vallim its strong contributions off the bench. Single can essert as his one went to I creazas with 24 against Whittier and 23 against Mente Vallim

Grig Mosers commented that his team was 12-2 against the straight Recteins. I heir four losses in pre-season were to teams that were the second best team in the school.

Tees Capture League To-Championship

Bouncing back from a poor season the year before, the Cees captured the hampionship of the San Gabriel Valley League with a 7-3 mark. Overall they were 12-6, and had it not been for a slow start they would have at the mark history. As the season progressed, the consistency of the Cee Cagers improved. They became an explosive offensive unit and a stingy detersive team.

Four in shmen starters for the Cors promise to brighten the future for the cursos. Leading the Cees were Store Cota and David Roman, and off the bench it was Mike "Instant Point". Soltero and Art Robledo.

SGUL Title Awarded to 1972 Dees

The Dees won the league title this year, backed by a good press, good teamwork, player hustle, and confidence. The team members were: Jack Alvarez (sophomore guard and only returning player), Max Jiminez (guard), Luis Madeza and Mike Madrigal (forwards, and Mike Branham (center). Substitutes for the team were Fred Pena, Bob Neil, and Louis Rorabough.

The team went undefeated until after the Sierra Tourname, t, and with a tire stason record, the group showed some strong advancing players.

Titan Glovers Show Strong Pre-Season

The Varsity Baseball team, with a recent display of good defense and outstanding pitching, took hold of the top spot in the San Gahro I Valley League. Going undefeated in their tirst three games, the Titan glovers now have a seasonal mark it 6.4. Heading the pitching staff is Gilbert (Vito, Rock 2 ie 2. At press time, his record was 5.0, with two victories in league play. When not pitching, Gilbert heads the infield at first base. The other infielders are senior Louis Mojarro (second baseman), sophomore Richie (vito) tishortstop), and junior Rick Carrillo (third baseman). The catching chores belong to Ruben Flizalde, who contributes a lot to the Titan inter-

oppossing batt as fits with the fiery start they had. In their tirst four games, the pitching staff gave up no earned runs and they won thread the List to it. But is the work of the magic the pitchers once had seemed to vanish and the buts couldn't produce, and the pitching staff face to Lobe the produce. A key injury to Lawrence Jordan, and the it seems of a couple other players took a big bite out of the JV team.

Hurting in the pitching staff, the freshmen have been struggling throughout the campaign. With an injury to Bill Arce, Steve Cota handled a lot of the pitching duties, with Russ Sigmen as back-up man. Leading hitters for the frosh are Greg Gonzales (first base), Bob Wilkinson (second base) and Steve Cota (shortstop, pitcher). At press time, the frosh record was 4-6

Titans Swim to Successful Season -

New Records Are Set

It's been a successful season for the PiHi mermen. A couple of new school marks were set during this past year

At the varsity level, seniors Bill Parks and Jim Didway, along with juniors Richard Van Daalen Wetters and Ken Brecht, contributed to their team's record.

In the Bee 100-vard freestyle relay, the team of Pete Rodriguez, Jesse Gallop, Jim Percy and Ken Brecht broke the old mark of 3:45.9 with a new one of 3:44.5. The same team placed eighth among sixty schools in the fifty-vard butterfly relay

For the Cee team, strong swimmers were Rands Guiboa, Dave Larmore, Jim Percy, Bruce Tamp and Ron Stratton

Trackmen Aim to Break School Records

Though the "thineless re-winless, they have been steadily improving, as their record indicates. The highlights of the season have been the breaking of several school records

Do is Kitavama is one of the better men on the hurdles for the varsity. The team of Curt Sinclare, Mike Huntsinger, Denis Kitavama is an Mirty Grandusky set the record in the 440 relay with a time of 45.5. In the Bee division, Hector Mercado broke the record in the high jump with a 5'8%" showing. The cost of the scient and shave done well in several meets. For the Bees, Fred Vartanian has been a strong performer in the long cost of constant Mirty in the high jump. For the Cees, Robinson Velez has done extremely well in the sprints. Jeff Robertson Lass ored in the high jump and the hurdles. The two-man combo of Robert "Boover" Mendoza and Robert Villalobos has kept the assisty in several meets with their performances in the pole vault.

This year's tracksters are being coache to v first-year man, Barry Blade. His assistants are Richard Martinez, Dick MacDonald

and student-teacher Bob Ollmen

Adult Groups Mork for District and Community

Unknown to most students are four important groups of individuals which east a great deal of influence on Pioneer's school life. The District Administrators, Board of Trustees, Teachers' Club, and Parent-Teacher Association are all dedicated to the improvement of education in the Whittier Union High School District

The District Administrators directed the operations of the seven unified schools, with Mr D.A. Morrissey serving in the capacity of Superintendent, Of major concern to both the District Administrators and the Board of Trustees was the budgeting of the district's money in a year which naw money growing scarcer throughout the state.

The Teachers' Club is that group of facultyenter it dividuals who serve in representing the Pinner teaching staff. The main function of the PIA is to serve as the communicating link between the school and the community

Board of Trustees, left to right. Mr. M. G. Garman, member, Mrs. Virginia Macy, Vice President, Mr. M. L. McMahon, President. Mr. C. Everett Hunt, Clerk. Dr. Terry Sarchet, member

Hill Kirk, Assistant Pencipal, Guidance

Dr. Jerry Haines, Principal

Dr. Jerry Haines Leads Knergetic Staff

Serving in his second year as principal, Gerald L. Haines, Ed.D., did an effective job of operating Propert of a more personal level. With the aid of his administrative staff he was able to concentrate on better communications between administrators, teachers, and students.

During the past year Dr. Haines earned his Doctorate in Secondary Education at USC. When asked how he felt after his first year as principal, he thought "a definite change had occurred at Proneer." Not only was it a positive change, but he felt "people at Proneer are more confident of success, and much more sure of themselves." He sincerely though that sock programs as the A schedule day, the reading 'scramble', the teacher advisor program, and the open discussion groups are all based on one common goal. To reach out and care for the individual, and to make every person a very important part of the whole picture.

I here were no changes in the administrative staff from the previous year. John Kimmick held his position as Assistant Principal in Curriculum. Hal Reid and Bill Kirk continued in their positions as Assistant Principals in Business and Activities and Canadanar, respectively.

John Kimmick, Assistant Principal, Curriculum

Special Personnel Prove Their Value Often to Pioneer Students

Special Services this year added two important people, Kathy Stanger and Dan Nay. Mrs. Stanger served for her second year as the Coordinator of the Exploratory Work Experience Program. The "E.W.E.E." program proved to be of great personal interest and benefit to a growing number of Pioneer students. Dan Nay, as Curriculum Coordinator, worked with department heads, teachers, and students in developing courses of study. As in the past, School Nurse Doris Dean looked after the health of Pioneer students. Joe Hazard, Librarian, did an excellent job of keeping the Pioneer library in order. As Assistant in Student Activities, Jim Fretz worked with Hal Reid and served as advisor to the A.S.B. Cabinet.

Buidance Office Staff Always Available for Help

With no new additions to the counseling staff, J.C. Low again served as Head Counselor. The guidance office staff worked hard to serve the students at Pioneer, and their efforts were not in vain for students know that whenever they have a problem they can go to the Guidance Office and find a helping hand. Despite the increasing number of students per individual counselor, the guidance staff is always ready to listen. No matter how large or small a problem seems, from choosing a college to changing a class, the guidance staff will always be there to help out

Day Crew Bob Houston, Garnet Statford, George Vasquer

Marking Crews Provide for Titans

Behind the scenes at Pioneer are the custodial and cafeteria crews. It is these hard working individuals who make it altogether possible for the school to enjoy many of the niceties that students take for granted. Working hard to keep the entire school running smoothly, the crews not only clean and cook, but the custodial crew sets up equipment for assemble as games, and an infinite number of other activities. Ite day crew even planned to work harder in the future, for Garnet Stafford was serving in his last year with that group before retiring.

The cafeteria crew worked diligently preparing hot lunches for students, but did not stop there in their efforts. This year the cafeteria staff revolutionized their methods of serving customers in hopes of making service speedier and more efficient.

I brabeth it is ler and Willie Lopez oversee the operation of the girls' and boys' locker rooms.
